

Welcome to Youth Cat Club! Are you looking to further enhance your child's religious understanding through worship? Youth Cat makes worship come alive with a variety of activities, prayer techniques, storytelling, Bible videos, games and more! We base all our activities on the following:

- The CISVA District wide theme of "Caring for Our Common Home" based on Pope Francis' Encyclical Laudato Si
- Next year's theme is "Care for Everyone in Our Common Home"
- Sermon For Kids

We would like to thank all the parents for their excellent feedback and encourage open communication with parents as we work in partnership to Build the Kingdom of God.
