

Dear OLM Families,

We're excited to announce the launch of our [Walkathon Fundraising Campaign 2020](#).

Our annual walkathon event aims to raise money that will fund various school initiatives that support students' learning and overall development. Previous campaigns have successfully funded the school's varied activities including school field trips and student playground.

We are currently living in unprecedented times with the COVID19 outbreak. Out of concern for everyone's health and safety, OLM School will not be physically hosting the walkathon event. However, we will be together in spirit on June 5, 2020!
