“Each of us is called to holiness, to a unique and unrepeatable form of holiness. The Lord has a design of love for everyone. He has a dream for your life.”

-Pope Francis

First Communion

Congratulations to the Grade 2 students! They received their First Communion last Sunday. May you always know that you are filled with both God’s love and your family’s love. May you always know the peace of Jesus, the light of His love and the joy of His life within you.

Confirmation

The Grade 7’s will be receiving their Confirmation this Saturday. The Archbishop will be celebrating the mass at 7pm. We ask the Holy Spirit to bless the Confirmands and to give them the strength and wisdom to live God’s holy way. May they hold their love for Jesus in their hearts forever. May they be blessed in all that they do!

Nights of Music with STMC and OLM Choir

What an amazing concert! Congratulations to Ms. Boots and Mrs. Ladouceur. We are grateful for their love and passion of music. The way they prepare our students and the experience they provide for them is above and beyond. Many of our students join the music program at STM and it was heartwarming to see and hear their musical accomplishments.

Our OLM choir gave a very impressive performance. All their hard work certainly paid off!
