Reason for Change:

It is with sad news to inform you that my friend and colleague Dr. Jennifer Tong passed away after a courageous battle with cancer. Dr. Tong was the Director of Learning Support for our system, CIVSA. Her passion and dedication to education, especially to those students with special learning needs, to the needs of parents and to educators, was outstanding.

Dr. Tong was highly regarded because she was directly responsible and influenced many positive changes to the world of Special Education. Her accomplishments, her influences, and the lives she touched are too numerous to count.

We ask for your prayers for the repose of Jennifer's soul and for the support of her family through this difficult time.

Eternal rest grant unto Jennifer, O Lord. And let perpetual light shine upon her. May she rest in peace. Amen.

Thank you for your understanding.

Sincerely,

Mrs. Grout
