DRIVING TO AND FROM SPORTS GAMES

Teachers have been advised by Catholic Mutual (our insurance provider) that it is not good practice to drive students. We therefore need parents to coordinate rides among one another so that children are able to get to and from sports venues. **It is the parent's responsibility to find rides for your children.** Please help each other out so that our staff is not faced with having to tell your child that they cannot attend the game due to a lack of rides. Thank you for your support in helping make this volleyball season a success for your child.
